Current projects:

Horizon 2020 project:

EdiCitNet- Edible Cities Network

Integrating Edible City Solutions for social resilient and sustainably productive cities.

Rating: 14 out of 15 points. Budget: 12 million Euro.

Project financed by the Norwegian Research Council:

DEMUDIG. Democratic Urban Development in the Digital Age (Forskerprosjekt - DEMOS).

Rating: 6 out of 7 points. Budget: 8 million NOK

Previous projects:

A four-year comparative post doctor project on the influence of performance audit on politics and public administration in the Nordic countries. The project was funded by a research grant from The Joint Committee for Nordic Research Councils in the Humanities and Social Sciences (NOS-HS), project number 219574.

Contested space - Social sustainability in an era of urban entrepreneurship. A comparative study of cities' goals and strategies for urban (or local) development, how they balance business and residents' interests in this development and how the policies manifest themselves in practice. The project was funded by strategic resources

Steering, control and organizational learning in organizations. Special issue project for the journal "Nordiske Organisasjons Studier" (NOS).
